1 LOVE DOG RESCUE

Community partnerships that help dogs find a fresh start.

Who we are

Founded in 2013, 1 Love Dog Rescue serves the Auburn and Foresthill area of Northern California. Thousands of dogs have found loving homes through the rescue. Adoptions involve an in-person meeting and pickup; dogs are not shipped.

Ways to work together

Discuss food and supplies, veterinary support, grooming, transport, professional services, photography, printing, events, business sponsorship, or media collaborations.

A clear agreement before we begin

Justin will confirm the current need, contribution, timing, responsibilities, and any recognition before a collaboration starts. Ask for current impact figures and a proposal tailored to your business.
